Beachcomber

The leading hotel brand for the discerning holidaymaker in Mauritius

The Beachcomber journey begins the moment our guests choose their resort and lives on long after their stay, embedded in their hearts and memories for life.

Beachcomber's roots are deeply Mauritian. We endeavour to preserve and promote the country's cultural riches, sharing them with our guests and with future generations.

Beachcomber's resorts and hotels are situated on the most beautiful beaches of the island and are all symbolic of the Mauritian way of life. The resorts boast exceptional natural settings and combine elegance and simplicity, tradition and innovation, space and privacy. Each defines 'getaway' in its own unique way, transporting guests into a carefree state of mind suspended in bliss, giving them time to reset and make lifelong memories.

Some 70 years ago, the hotel group took the first steps on its journey as a pioneer of tourism and hospitality in Mauritius. It has since created eight spectacular holiday resorts on the island.

With exclusive representation in the local market, Beachcomber Tours South Africa brings this resplendent family of Beachcomber resorts to the South African public, placing an island paradise within easy reach.

Why Book Beachcomber

Perfecting Mauritius holidays for 70 years

A name with a history

The first hotel within the portfolio of Beachcomber Resorts & Hotels was established in 1952. In the late 1970s, the Beachcomber brand was launched. Expertise comes with the experience and know-how that only a solid foundation can provide, and Beachcomber is proud to have it all.

The most spectacular sites

Founded by Mauritian families, Beachcomber occupies premium beachfront sites, mostly on the west coast where the best weather can be found together with the best beaches and stunning sunsets that end each perfect day.

A legacy of Mauritian lifestyle

The casual Indian Ocean lifestyle of outdoor living, beachside dining and warm hospitality is guaranteed at all resorts.

More rooms = more choice

Beachcomber Resorts & Hotels operates eight superior leisure resorts in Mauritius. With more than 2,000 rooms in the 4- and 5-star categories, there is a resort to suit every holiday and style preference.

Beachcomber cares

Beachcomber was one of the first hotel groups to implement concrete actions for sustainable and inclusive development in Mauritius. All our properties carry EarthCheck certification, the travel industry benchmark of environmental care, and these convictions are reaffirmed through a charter outlining the Group's 52 Commitments based on eight themes of action.

South Africans love Beachcomber

The brand is top-of-mind in this country, and the majority of tourists from South Africa staying in resort hotels in Mauritius are clients of Beachcomber Tours.

Buying power means strength

Beachcomber pre-purchases airline seats to Mauritius during peak periods to ensure hassle-free bookings, a choice of departure dates and quick confirmation.

Opt for value

Our popular holiday packages include a wide choice of restaurants, a comprehensive range of complimentary land and water sports, amazing Kids Clubs and a daily entertainment programme at each resort. For your convenience, our rooms include individually controlled air conditioning, an electronic safe, telephone with international dialling, WiFi, TV with satellite channels, hairdryer, minibar and complimentary tea and coffee. Flagship room categories at most resorts offer coffee machines and other added luxuries.

All-inclusive holidays

Beachcomber's 4-star resorts and 5-star Trou aux Biches Beachcomber offer optional all-inclusive packages that cover all meals and most drinks. Two of Beachcomber's 5-star resorts, Paradis Beachcomber and Dinarobin Beachcomber, offer the optional Escape Package, an innovative lunch and beverage package.

Mauritius resembles a rich, green emerald in the turquoise waters of the Indian Ocean. With regular flights from South Africa, this sophisticated island paradise has all the elements of the ultimate escape at an affordable price. Quality and high standards apply to every aspect of infrastructure and service - accommodation, food, sightseeing, transportation and attractions. The local population is welcoming, warm and friendly and enjoys prosperity and a good standard of living. The island's greatest assets as a holiday destination are its natural beauty, lush tropical vegetation, and sun-soaked beaches, which are protected by a coral reef that encircles most of the island. The clear, calm waters off the coast present ideal conditions for all types of water sports, including snorkelling, windsurfing, waterskiing and sailing. Mauritius is a gem of a holiday choice - one to fall in love with over and over again. It's little wonder that generations of South African families have chosen Mauritius as their holiday paradise.

When to go

Mauritius is a year-round destination. Temperatures during the warm, dry months between May and October are normally in the mid-20s, rising to the upper 20s in the summer months between November and April. During the summer, tropical weather may cause storms and heavy rain, occasionally resulting in cyclones.

West is best

The most equable climate can be found on the west coast of Mauritius, which also has the finest and most protected beaches on the island. As the sun sets in the west, Beachcomber properties are the first choice for those seeking picture-perfect sunsets. Seven of Beachcomber's eight properties are located along this coast, with the eighth resort occupying a prime location near the airport. Generally, the weather is warm and sunny, ensuring year-round holiday enjoyment.

Dress

The dress code is cool and casual - beachwear for the day and smart casual clothes for the evenings.

Gentlemen are required to wear long trousers and closed shoes in the evenings at all resorts except at the buffet restaurants at the 4-star resorts, as well as Victoria Beachcomber's Morris Beef restaurant, Trou aux Biches Beachcomber's La Plage restaurant and Paradis Beachcomber's La Ravanne restaurant.

During the cooler months, jackets or light sweaters for evening wear are recommended.

Places to Visit

Must-see sights

Mauritius may be a small island, but it contains a wealth of contrasting scenery that ranges from the drier regions along the north-west coast to the lush green of the east coast. A spine of dramatic volcanic mountains cuts through the central area, influencing weather conditions. There is much to see, with something appealing to all interests. Consult the Mautourco representative or concierge at your resort for reservations.

L'Aventure du Sucre

The setting for this gem of a museum is an old sugar factory, evoking bygone days. It lies within the beautiful Beau Plan Sugar Estate that is located close to the famous Pamplemousses Botanical Gardens. At this museum, visitors can learn about the deeply intertwined history of sugar and Mauritius and how it led to the multicultural society of today.

Leisurely sightseeing

The famous botanical gardens at Pamplemousses are a leading Mauritian attraction where visitors can view the giant *Victoria regia* water lilies and the rare talipot palm. The sacred lake of Grand Bassin, a place of pilgrimage for Hindus, is another must see, as are the mighty cascades of the Black River Gorges and the fauna that inhabits the natural vegetation. In Port Louis and Grand Bay, it's fun to wander among tiny shops and markets, chatting to locals who charm you with their warmth and friendliness.

Big game fishing

The marlin fishing season is at its best between November and April, but there is much to challenge the big game fisherman all year round.

Shopping excursions

Hire a chauffeur-driven or self-drive vehicle or hail a taxi and hit the shops! You can visit the Big Bazaar in the town of Quatre Bornes, the boutiques at the Caudan Waterfront or the Port Louis market. In Grand Bay, visit the Grand Bay Bazaar for local crafts. For a more conventional shopping experience, be sure to stop by the Bagatelle Mall in Bagatelle.

Catamaran cruises

Catamarans head north from Grand Bay to Îlot Gabriel or from Pointe des Régates to Ile aux Cerfs and south from Tamarin Bay towards Îlot Benitiers, a small island off the west coast of Mauritius. Each boat carries snorkelling equipment, and a delicious barbecue lunch is prepared by the crew.

Quad biking and zip lining

There are many quad bike adventures available in Mauritius that whizz visitors through forests, sugar cane fields, hunting grounds, rivers and leisure parks. Zip lines thrill visitors with magnificent views over the treetops. These are ideal activities for the group incentive market.

Seven Coloured Earths of Chamarel

This attraction is the result of a volcanic phenomenon that resulted in seven colours of earth swirling together to create a beautiful feature. Chamarel is reached via a panoramic route that cuts through lush tropical forest. There are many viewpoints along the way, one being an 83 m high waterfall. Also worth viewing in the area is the Church of St. Anne that was built in 1876.

Curious Corner of Chamarel

Located just opposite the Seven Coloured Earths, Curious Corner of Chamarel is the first of its kind in Mauritius and is a house of illusion and mystery that is sure to stir the visitor's curiosity. The exhibits introduce visitors to a world of mind-bending fun. Browse the many curios in the Puzzles & Things Shop and enjoy the delights on offer at The Corner Café in the garden.

The Rhumerie de Chamarel

This attraction is located 300 m above sea level on the south-west coast of the island and features a rum distillery and an agricultural plantation on an eco-friendly estate. A guided tour of the distillery provides a detailed explanation of rum making and includes a rum tasting. The menu at the chic on-site restaurant, L'Alchimiste, features dishes made from local produce.

Beautiful Rituals

The art of sharing emotions

The Art of Beautiful takes shape at each resort with memorable experiences that delight the senses. Beachcomber believes in happiness in its purest form.

The beautiful cocktail

Each year, Beachcomber Resorts & Hotels hosts a competition for resort staff to create a unique cocktail. The winning recipe becomes the annual welcome drink that each guest can enjoy upon arrival. There is no better way to start your journey with us than with a refreshing drink soaked in delicious tropical notes.

The beautiful table

Beachcomber Resorts & Hotels hosts their own Captain's Table; this is attended by a resort artisan who personally surprises invited guests with a three-course meal, while the architect behind the menu - the chef - walks them through an unforgettable gourmet journey. There are recipes to take home too, all guaranteed to tantalise the taste buds!

The beautiful concert

After a full day of activity, slow down the tempo at a concert of classical music. Against the backdrop of the setting sun, listen to beautiful melodies as you sip on a delicious cocktail. It's an experience bound to stir emotions and soothe the soul.

The beautiful neighbours

Meet the local Mauritians who live nearby the resorts that have a particular appeal for families and be awed as children cross the boundaries of friendship with ease. Kids Club guests, for example, can enjoy a tea party with children from a neighbouring village - a real celebration of sharing and kindness. Parents are welcome to join the programme that broadens horizons, reminding us of the values of kinship and community.

The beautiful lights

Gather around the pool or selected venue and listen as messages of hope are read by children in French and English. Guests are invited to float candles in the water, with each flame representing a wish for peace and goodwill. A serene night, crystal-clear voices, and the innocence of youth contribute to a magical ritual.

The beautiful wedding

For couples getting married at Beachcomber, love is as bright as the sand and as infinite as the ocean. Bride and groom mix two different shades of sand together as a symbol of their unity before pouring it back into the ocean so that the waves may spread their love around the world.

The beautiful story

Once upon a time in Mauritius...

Lean in and listen to the amazing history of the island from past to present. While seated on comfortable cushions in the shade of a tree, hear a masterful Mauritian storyteller sharing intriguing tales of the country and its inhabitants.

The beautiful farewell

When it's time to say goodbye, guests are sent off in style. The resort's Artisan of the Month offers departing guests a warm message of thanks and a letter of appreciation. It's just one more special Beachcomber touch that demonstrates our wish to see you back again soon.

Families at Beachcomber

Your best family holiday yet

Beachcomber Resorts & Hotels places a strong emphasis on family holidays. While adults appreciate the best standards of quality and service, our young VIPs are well catered for when it comes to family-friendly accommodation, entertainment, meals and activities. Memories of family vacations at the Beachcomber resorts linger long after our guests have returned home. Here, parents can catch up with each other and relax while the children discover a new world of fun and adventure.

Family-friendly focus

There are many elements that make Mauritius the ideal family holiday destination. With the island only a few hours' flight away from South Africa, jet lag is not an issue. There are regular flights from South Africa, and South African citizens do not require a visa. The waters around the island are calm and protected by a coral reef, making swimming and a variety of free water sports safe and enjoyable.

Our family offer is tailor-made and promises a relaxing family break from the rest of the world. The family units in all our resorts guarantee privacy and space for each family member. There is a wide choice of family suites, apartments, and villas, so take your pick!

A special rate applies to children aged 12-17 years during certain seasons, unlike many other resorts and destinations where the rate only applies to U12s. Children U12 eat for free year-round at all hotels except at Royal Palm Beachcomber, and during most of the mid-year period, children U18 enjoy complimentary meals when sharing with their parents, inclusive of the all-inclusive package, if selected. Attendance at Kids Clubs is also free.

The choice is extensive since so much is included in your package, and everything is on your doorstep. If you select one of our all-inclusive options, you might as well leave your wallet at home! Be sure to ask us about one of our 'kids stay and eat free' specials.

Kids Club Beachcomber

Kids are king with Beachcomber. Each resort has a complimentary Kids Club that is open daily for children aged 3-11 years. Activities are geared towards two age groups: 3-6 years and 7-11 years.

Parents can enjoy peace of mind knowing that the welcoming, qualified and responsible Kids Club team is very experienced in child-minding. Staff turn each day into an adventure with a fun-packed programme focused on creativity, play and learning. Themes such as Be Creative, Be Together, Be Eco-Friendly and Be Sporty give rise to an endless list of amazing activities, including drawing, painting and collage and discovery workshops on nature, gastronomy and culture. Most staff at the Beachcomber resorts are multilingual and are able to communicate easily with our cosmopolitan collection of youthful guests.

Each Kids Club is unique in its design and atmosphere - a wonderland seen through the eyes of children. Royal Palm Beachcomber is a kingdom for children and the 'Ti Royal' Kids Club is their castle. Set in luxuriant gardens and featuring a paddling pool and miniature loungers, this club provides our young guests with a home away from home. At Dinarobin Beachcomber, the Kids Club is a traditional Mauritian beach house on the beachfront with a large wooden deck and double-storey Wendy house. At Paradis Beachcomber and Trou aux Biches Beachcomber, the clubs have their own restaurant and splash pool, a magical setting with plenty of space for fun. At Shandrani Beachcomber, the Kids Club is housed in a Creole-styled pavilion set in the heart of the resort's tropical gardens. Victoria Beachcomber's Kids Club is located on the beach under a Bedouin tent and features a colourful play area and an outdoor beach cinema. At Mauricia Beachcomber, children can experience a traditional Mauritian playschool with made-to-measure desks to store their personal belongings. Canonnier Beachcomber's Kids Club is a safari-inspired tented village with an endless choice of activities that includes a generous playground.

Kids Clubs are open daily from after breakfast until 21h00 or in some cases, until 23h00. Lunch carries an extra cost except where parents have prepaid for the all-inclusive package. At dinnertime, the Kids Club staff will accompany their small charges to one of the resort's restaurants where they can select meals from a suitable menu.

Our young VIPs are also well catered for by members of the boathouse staff. Staff will patiently teach them to waterski, sail or windsurf. Tennis and golf lessons may form part of the daily activities for older children.

A day at the Kids Club is synonymous with great fun. Children will forever cherish memories of the games they played, the friends they made and the joy they experienced. They will have many stories to share with their friends back home!

Teens Club Beachcomber

All Beachcomber resorts provide a range of services and facilities for teens that are free of charge. These may include waterskiing, trips on the glass-bottom boat, pedalo boats, kayaks, snorkelling, football, tennis and volleyball. As is the case with their parents, teens are free to enjoy all that the resorts have to offer when it comes to sports and leisure.

At some Beachcomber resorts, a specific Teens Club Beachcomber programme operates during popular school holiday periods. Special sporting activities and evening gatherings are planned. Excursions may also be offered outside the resort, visiting places of interest. It's the perfect opportunity for the older children to socialise and to have fun with their fellow teens.

Beachcomber baby and toddler care

Babysitting services are offered at all Beachcomber resorts at a reasonable hourly rate. The experienced and caring babysitters have been working with Beachcomber at these resorts for several years and are willing to look after your little ones for one evening or more, whatever your requirement may be.

Mauricia Beachcomber, Canonnier Beachcomber and Victoria Beachcomber have a baby care room catering for parents with children under 2 years of age. This room generally includes a bottle warmer and steriliser, a nappy changing table, a kettle and a fridge that is stocked with complimentary yoghurt, fruit and bottled water. The baby care rooms are located in a central area and are easily accessible from the main public areas. There is also a menu that provides a list of homemade puree options that mums can order.

Baby care amenities are on request at Dinarobin Beachcomber, Trou aux Biches Beachcomber and Royal Palm Beachcomber, while at Paradis Beachcomber and Shandrani Beachcomber, a baby care corner is available. Shandrani Beachcomber offers a Petit Club service, a unique programme designed for children aged 2-3 years with limited space and at a supplement.

The 5-star Trou aux Biches Beachcomber offers a free babysitting service at the Kids Club Beachcomber on weekday afternoons for children between the ages of 1 year and 2 years.

Spa Beachcomber

The art of wellness

Beachcomber spas take a holistic approach to mind and body pampering, offered in serene areas of each resort where guests can enjoy total rejuvenation. The beauty of our spa settings complements the personalised treatments that are provided by highly skilled artisans using superb product ranges, including our own proudly Mauritian, 100% natural B(e) Beautiful collection. These are the elements of our 'Art of Wellness' concept.

The 'Art of Wellness' is a rich and varied tapestry of treatments, introducing you to the secrets of an art de vivre that is mindful of our planet and that embraces the age-old traditions of natural healing. Art of Holistic Touch, Art of Discovery, Affinity Arts and Art of Beauty are all courses of treatment to aid the communion of body and mind. This range is combined with well-being coaching in tailored five-, eight- and ten-day programmes to relax and firm up or tone with the help of professionals.

Our caring spa artisans are trained to listen to your every need and to guide you towards a prime state of health. Our treatments combine up-to-the-minute wellness knowledge with the natural power of authentic island recipes and the secrets of ancient techniques. B(e) Beautiful, formulated for both face and body, represents a radical break from mainstream, chemical-based cosmetics. The product line imparts nutrients to the body to repair and rebalance. Sugarcane, coconut, cinnamon, almonds, honey and other tropical treats are combined with herbal oils, shea butter and beeswax and melded with exquisite scents of vanilla, caramel or wild violet. The result is an exotic, sensory journey towards blissful well-being.

Our promise is to introduce you to the art of relaxation to achieve an unprecedented sense of self fulfilment and harmony.

Expanding the world of wellness to children between the ages of 6 years and 15 years, Beachcomber invites our younger guests to Ile aux Enfants, the Children's Sanctuary, which is available at all resorts. Children are treated to a range of beauty treatments (massages to facials) that are specifically age related using all-natural products and attractive scents such as chocolate, caramel and candy.

Royal Palm Beachcomber

Royal Palm Beachcomber's sophisticated spa is a feast for the eyes and seamlessly blends the indoor with the outdoor spaces that centre on a series of cascading pools surrounded by a spacious sun deck. Combining comfort, timeless elegance and ultra-personalised service, the spa provides guests with the feeling of total plenitude and inner peace. Each of the 18 treatment rooms has its own unique, contemporary design touches, including a large opening to take full advantage of the natural light. The treatment menu focuses on peaceful rejuvenation that is enriched through a privileged partnership with Swiss skincare brand, Valmont. A hair salon, two beauty salons and a trendy barber complete the spa's facilities.

Dinarobin Beachcomber

Dinarobin Beachcomber's spa nestles in lush vegetation at the foot of Le Morne Mountain, a coveted location for this perfect healing sanctuary for the body and mind. Air-conditioned cabins for traditional treatments surround a large, heated swimming pool. A separate area that is decorated in an oriental theme is dedicated to Ayurvedic treatments. A total of 12 massage rooms are on offer. Group and private classes are held on the yoga and meditation deck. There is also a hair and beauty salon.

Paradis Beachcomber

Alongside a peaceful pool and under cool thatch is the simple yet elegant Paradis Beachcomber spa. A wooden path lined with pebbles winds between large rocks, coconut palms and greenery to the entrance of this tranquil cocoon that is situated between a spectacular golf course and a beautiful beach. Eight treatment cabins, each with their own outside shower, are positioned around a garden where the smell of frangipani flowers lingers in the air. Reflecting pools decorated with flowers and Buddhist statues recreate the serene ambiance of Asian spas. A hair and beauty salon are also available.

Trou aux Biches Beachcomber

This spacious and secluded spa has 20 cabins set in lush gardens. Water features are recurrent elements, with a beautiful pool bordered by a wooden deck taking centre stage. From the airy reception, a corridor leads to four air-conditioned cabins and three water treatment cabins, all offering a full menu of treatments. On the other side of the pool protected from view is another wing of 13 cabins. These are linked by pergola-shaded pathways and are the location for massages and a commune-with-nature experience to the sound of bird calls. The spa also includes the services of a hair and beauty salon.

Shandrani Beachcomber

A century-old badamier tree hanging over a magnificent pool is the focus of this spa where thatched roofs built at tree level ensure 18 Robinson Crusoe-style massage cabins blend seamlessly into the surroundings. A natural stone path lined with tropical vegetation leads guests to the entrance. Stretching alongside most of the facility is a reflecting pool framed by a string of dark pebbles. An inner garden is dense with palm, hibiscus and frangipani trees and exotic plants. This tropical spa also hosts a hair and beauty salon.

Victoria Beachcomber

A water feature filled with exotic koi fish and the perfume of sweet almond, lavender and orange essential oils greets guests upon their arrival at Victoria Beachcomber's spa. Blending harmoniously with the resort design, the spa is modern with sleek white furniture and colourful prints on whitewashed walls. It houses six treatment rooms each with its own look and atmosphere and includes one feng shui outdoor cabin.

Canonnier Beachcomber

Emulating a small tree house village built amidst branches of a centuries-old banyan tree, this spa is truly unique in Mauritius. Guests walk up stone pathways swathed in vines to reach the six cabins built at different levels. The cabins are built from timber strips, stone and thatch and blend effortlessly into the surroundings. All are equipped with outdoor showers, an additional treat for the senses. Views and multiple ponds provide a sense of serenity.

Mauricia Beachcomber

Drawing on Mediterranean influences and tucked away from the hotel's main hub of activities, Mauricia Beachcomber's spa offers a tranquil, comfortable and warm atmosphere. Resembling a private villa and evoking a sense of a Moroccan medina, the 10 cabins are linked together by a series of arches. The cabins open onto a central courtyard with a reflecting pool that is framed by a wooden deck with white cloth furniture, adding a touch of comfort and freshness.

Golf Beachcomber

Golfing at its best

Mauritius has developed a reputation as a premier golfing destination and rightly so since the climate makes the sport a year-round possibility. Beachcomber Resorts & Hotels is the proud owner of four resorts associated with superb courses and facilities.

Paradis Beachcomber has an 18-hole par-72 championship golf course that is considered one of the island's best. It is also a convenient course for guests of nearby Dinarobin Beachcomber. In the north is the island's 18-hole Mont Choisy Le Golf. This championship golf course is available to all Beachcomber guests at preferential rates, and free transfers for guests staying at Canonnier Beachcomber and Trou aux Biches Beachcomber are included.

At Shandrani Beachcomber, there's a challenging 9-hole mashie course with a unique layout that promotes good practice for the improvement of golfers' short games.

Paradis Golf Club

Positioned between the impressive Le Morne Mountain and the crystal-clear waters of the Indian Ocean, the course at Paradis Beachcomber is a peerless combination of spectacular scenery and enjoyable play. It is the only golf course on the island that is situated within the premises of a resort. Shared by guests of both Paradis Beachcomber and Dinarobin Beachcomber, it is a tropical links course, testing the champion and entertaining the novice. Immaculate greens and fairways run alongside the ocean, and swirling mountain winds make the front nine holes a challenge that requires precision. The Paradis Beachcomber Golf Academy offers an array of facilities comprising practice greens for short games and putting in addition to specialised training. Training sessions - solo, in pairs or for the whole family - are available for golfers of all skill levels. The superior infrastructure of the property as a whole makes a golfing holiday at Paradis Beachcomber or Dinarobin Beachcomber most appealing.

For your convenience

- A clubhouse and elegant bar with a storeroom for guests' golf equipment
- Golf Academy swing analysis with full-time professionals who attend to clients' needs and offer private lessons
- A Pro shop with a range of international brands plus practice balls, clubs and trolleys for hire
- Driving range with target greens - 15 stations
- Short game practice with three chipping and putting greens
- Delivery of golf carts to suites at Dinarobin Beachcomber 30 minutes before tee-off time

Mont Choisy Le Golf

Guests staying at Beachcomber golf resorts enjoy privileged access to Mont Choisy Le Golf, the only 18-hole golf course in the north of Mauritius. It is located in a sprawling nature reserve within proximity to the Beachcomber resorts of Canonnier Beachcomber and Trou aux Biches Beachcomber. Mont Choisy Le Golf, a par-72 championship course designed and developed by the renowned southern African golf architect, Peter Matkovich, offers an expanded golf experience. However, the casual player will enjoy this course as much as the serious golfer.

For your convenience

- State-of-the-art practice facilities including chipping and pitching areas, putting greens and a 300 m double-ended driving range - 20 stations
- Clubhouse including a pro shop with a range of international brands plus practice balls, clubs and trolleys for hire
- Golf instructors and lessons available
- Teaching Academy
- Restaurant and bar plus a bar at hole No. 10
- Wine cellar

Shandrani Beachcomber pitch and putt

Parts of the 9-hole par-29 pitch and putt golf course at Shandrani Beachcomber run adjacent to the beach, affording breathtaking views over the ocean. The compact size of the course makes it the perfect option to polish a short game while challenging both beginners and seasoned golfers. Green fees for Shandrani Beachcomber guests are waived. Moreover, Shandrani Beachcomber has an arrangement with Avalon Golf Estate whereby guests play at a reduced green fee.

Paradis Beachcomber Golf Challenge

Beachcomber Tours organises two annual Paradis Beachcomber Golf Challenge tournaments, uniquely marketed as family golfing holidays.

Our Paradis Beachcomber Golf Challenge is so popular that 50% of the participants are repeat guests, many of them women and juniors.

Make up a four-ball, and one person will get his/her land arrangements free of charge. The winner of the tournament receives free land arrangements and an air ticket to defend the title the following year. The runner-up receives free accommodation for the following tournament. Golfers will be pleased to know that the clubhouse is situated only 100 m from Paradis Beachcomber's reception area. Non-golfing partners will be equally thrilled to learn that the Paradis Beachcomber Golf Challenge is played in the mornings, leaving the afternoons open for leisure and family time.

In line with the constant reinvestment by Beachcomber Resorts & Hotels in the Beachcomber properties, Paradis Beachcomber golf course will be closed for refurbishment from 15 June to 15 October 2023. Golfing guests at Dinarobin Beachcomber will be catered for at associated courses.

Groups and Incentives

In the hands of unrivalled experts

Just a four to five hour flight from South Africa, Mauritius is an ideal destination for group incentive travel. Regular flights add to its accessibility.

Beachcomber is a forerunner in this market, offering sophisticated infrastructure backed by the highest standards of service and efficiency. Our resorts are fully geared to host groups and as a result, many companies have returned repeatedly to hold events on the island. Beachcomber Tours in South Africa operates a department that is dedicated to group bookings and is staffed by professionals with decades of experience in the field.

All arrangements are handled with the utmost care and attention to detail, guaranteeing the success of the trip. All-inclusive package options for groups at all resorts, except Royal Palm Beachcomber, are available throughout the year.

Beachcomber's all-inclusive options

All-inclusive rates for groups have been widely endorsed by the South African market. While many hotels in Mauritius offer all-inclusive rates, the content of Beachcomber's various packages is far more extensive than any other. The beverage selection includes a wide range of brands, while food choices are many and reflect quality.

No expense is spared in creating lavish settings for special functions in the expansive grounds of each resort. We add sparkle to each event with magical themes, colourful décor and menus to match.

Beachcomber offers the best

While each resort in the Beachcomber group has its own identity and appeal, the common thread of quality, high standards and superb service is evident at all properties. Beachcomber Tours has been the market leader in this niche for many years, with Beachcomber resorts well placed and geared to provide tailored experiences and flawless events.

- Each resort has maintained its own unique atmosphere, some catering for the tastes of a lively and casual clientele and others appealing to the more sophisticated.
- A trademark of all resorts is the warmth of the authentic welcome coupled with exceptional service.
- Beachcomber tailors your group itinerary to meet your specific requirements and your expectations of quality.
- Your budget, the size of your group and its focus of interest will determine the style of resort that is recommended.
- Beachcomber Tours has in-depth knowledge regarding every aspect of the accommodation, conference facilities and organisation at the resort of your choice.
- All resorts offer a wide range of sporting and entertainment facilities on their premises. These may be used as leisure activities or as part of a team-building programme supervised by our professional staff.
- Each Beachcomber resort has a choice of restaurants to ensure varied dining experiences. Alternatively, theme evenings may be organised.
- Each Beachcomber resort has a dedicated Groups Coordinator, excluding Royal Palm Beachcomber.
- All resorts, except for Dinarobin Beachcomber and Royal Palm Beachcomber, have their own conference rooms with a range of modern conference equipment. Dinarobin Beachcomber shares conference facilities with Paradis Beachcomber.

Among many travel industry awards, Beachcomber Tours is proud to have been named Air Mauritius's Top Groups Partner for eight consecutive years, which is since the inception of the award.

Beachcomber lays claim to the largest sports academy in the Indian Ocean in terms of space, training equipment and staff.

The Nautical Clubs, the place to be for all water sport activities, offer two signature Beachcomber trips: a glass-bottom boat tour to view the ocean's fauna and flora, and a snorkelling trip. Our artisans are trained in the island's marine and coastal ecosystems by the local Reef Conservation NGO and will gladly share their knowledge of these ecosystems and the various species of plants and animals. Two protected marine parks invite you to discover and explore a multitude of protected marine species and underwater treasures - the Blue Bay Marine Park at Shandrani Beachcomber and the Balaclava Marine Park at Victoria Beachcomber.

Indoor sports enthusiasts will find plenty to keep them busy too. All eight hotels have a gym offering various fitness activities under the watchful eye of qualified coaches - weight training, cardio, and more.

Many of the activities on land and sea are free, however, other sports are available at an additional cost. Guests can explore the Indian Ocean's magnificent seabed with the Diving World dive centres that are PADI affiliated. For those who prefer to be on the water, the Dinarobin Beachcomber Kitesurf and Windsurf School, run in association with ION CLUB, offers daily training and practice sessions at two of the best spots on the island. And on land, there is so much to do. There are floodlit tennis courts at every resort (Beachcomber is an official partner of the HEAD brand and offers these products in its hotels); there are also two exclusive golf courses, guided bike trips, nature walks, and a special eco-tourism programme called Beachcomber Sports & Nature at Shandrani Beachcomber, all of which make the most of the beautiful natural surroundings. We also stage the biannual Paradis Beachcomber Golf Challenge. See page 35 for details.

The opportunities to be active in this idyllic setting are numerous and suitable for all ages and all levels. And to keep you safe, the activities are supervised by qualified instructors. Get your fill of thrills; there's something for everyone.

The Company will endeavour to comply with special requests, however, the Company cannot guarantee that these requests will be met. No request can be implemented unless stated in writing to the Company.

4. Not included in package prices

Group and FIT (free independent traveller) inclusions differ. Package prices quoted do not include airport taxes and fuel surcharges and these costs are listed separately. Any additional surcharges levied by the airlines, costs of obtaining visas, re-entry permits, vaccinations, passports or any other travel related documentation, telephone calls, laundry, entertainment arrangements not shown in the brochure, meals, beverages and excursions (unless specified), or any other item of a personal nature, are not included in the package. 5. Reservations

On confirmation of the booking, please complete the e-booking form which is the acceptance of the Company's terms and conditions and important travel information. A non-refundable deposit of between 20% and 40% of the total package price is payable within 72 hours of confirmation of the reservation. The purpose of the deposit, other than hotel charges, is disbursements incurred by the Company and travel agency and their service fees. In addition, the total cost of air tickets, airport taxes and fuel levies, must be paid by the due date stipulated by the airline. The balance owing on the invoice must be paid eight weeks prior to departure or, alternatively, as per the date stated on the confirmation. The Company reserves the right to cancel any reservation for which the total package price has not been paid by due date, in which event the deposit will be forfeited to the Company. The Company guarantees the price of land arrangements once full payment is received, except where subsequent increases are beyond the control of the Company. Airfares, airport taxes and fuel surcharges are subject to the prices, ticket time limits and conditions quoted by the airlines and cannot be guaranteed by the Company. The Company is an intermediary and acts on behalf of its principals and cannot be held liable for any increases, cancellations or changes effected by these principals. These principals have their own terms and conditions which will apply to the client and such conditions will prevail.

6. Method of payment

The Company will accept payment for all arrangements in cash, electronic funds transfer (EFT) or credit card. For payment by credit card the Company offers an online credit card payment facility to Visa, MasterCard, American Express and Diners credit card holders via a 3D secured site. Certain international cards are not compatible with this site.

7. Cancellations and curtailment

Land arrangements

In the event of the client cancelling a reservation for any reason, such cancellation must be made in writing and in such instances cancellation charges (including VAT) will be levied in accordance with the maximum charges that can be imposed. Cancellation fees are based on a nightly stay and not on the arrival date. From time of booking up to eight weeks prior to departure, the deposit is forfeited. Cancellation fees for Villa bookings and travel during peak periods, being Christmas, New Year and Easter but not limited to these periods only, will be more stringent. Cancellation fees are as per below and Villas will be strictly as per the confirmation:

8 weeks prior: 20% / prime season 40%
6 weeks prior: 40% / prime season 40%
4 weeks prior: 50% / prime season 100%
3 weeks prior: 80% / prime season 100%
2 weeks prior: 100% / prime season 100%

Air arrangements

Cancellation fees apply to air tickets and selected airport taxes and fuel surcharges once air tickets are issued. The cancellation fees vary from 25% to 100% dependent on the air ticket issued, plus 15% VAT. Many airline offers are accompanied by strict terms and conditions. Airlines are non-negotiable post ticket issuance.

8. Amendment and administration fees

Amendments to confirmed land reservations will be processed at a fee of R250 (including VAT) per person for each alteration made to the booking after the initial reservation is made. If notice of amendments is received within eight weeks of departure, cancellation fees as per point 7 may be levied. Administration charges will be levied on all documentation/vouchers submitted for reissue or refund. Changes to air tickets, once they have been issued, constitute an amendment fee (if the airline permits such a condition) together with an administration fee. Guaranteed departures and most discounted airfares may not be amended once payment is received.

9. Refunds and unused services

No refunds will be made for no-shows (clients who have booked and paid for services for a specific date and do not show or amend within 24 hours of departure date), or any unused services irrespective of whether they form part of the basic inclusive package price, or whether they are in respect of pre-booked optional arrangements.

10. Delays

The Company does not hold itself responsible for any delays prior to departure nor during travel to any hotel/resort mentioned in this brochure whether brought about by technical difficulties, strikes, political unrest, weather conditions, force majeure, airline schedule or time changes, re-scheduling or any other circumstances whatsoever, whether foreseen or unforeseen. The Company will, however, endeavour but will not be obliged to assist clients during these periods and it is understood that any expenses relating to these unscheduled extensions (e.g. hotels, meals, beverages, airfares, telephone calls, etc.) will be for the client's account.

11. Travel documents

Documentation is only prepared on receipt of a booking form and when full and final payment has been cleared through the Company's bank account. As per the IATA (International Air Transport Association) ruling, airlines require the name on an air ticket to be exactly as per the passport name. Travel documents will be issued as per the booking form's first name and surname. All clients will be personally and solely responsible for ensuring that they are in possession of the correct documentation prior to their departure.

12. Itinerary alterations

The Company reserves the right to cancel the client's travel arrangements prior to departure, in which event the entire package price paid by the client will be refunded without prejudice and any further obligation on the part of the Company. While every effort is made to keep to all itineraries, the Company reserves the right to make any changes for the client's convenience. The duration of the travel package may have to be extended or curtailed owing to unforeseen changes in transport schedules. Any resultant expense will be borne by the client, and any saving refunded.

13. Special offers

Special offers booked by Beachcomber Tours South Africa are offered to the South African and African markets only and offers may not be combinable with any other markets.

14. Valid passports, visas, vaccinations, re-entry permits and unabridged birth certificates

The responsibility to obtain correct, current and valid passports and passport requirements, visas, vaccinations and re-entry permits where required, is that of the client alone. Clients travelling with children under 18 years old must be familiar with the SA Immigration Regulations that came into effect on 01 June 2015. The Company will not be held responsible or liable for any consequence of any nature arising from the client failing to ensure that he/she has complied with all such requirements.

15. Insurance

The Company is not an accredited financial advisor and is therefore not permitted to offer advice on travel insurance policies. Over time and due to world developments and more recently the Covid-19 pandemic, travel insurance has become an ESSENTIAL part of a travel package. Most travel insurance companies offer added benefits to selected policies if purchasing a policy within 24-48 hours after the first payment is made. We strongly advise clients to contact an insurance company of their choice to take out travel insurance.

16. Liabilities

The Company makes every effort to ensure that all arrangements and services connected with your travel arrangements will be carried out as specified in the most efficient and effective way possible. However, being intermediaries, we do not have direct control over the provision of services by suppliers and, whilst they are in all cases selected with the utmost care, we do not accept liability for errors and omissions of such suppliers. It is the client's responsibility to satisfy themselves with any local laws, terms and conditions and applicable insurance options, if any, for any facilities used or hired.

17. Responsibility

The Company acts as an agent only in producing and booking the various travel arrangements featured in this brochure, and on condition that it shall not be liable for any loss, damage, injury, accident, delay or any other irregularity that may be occasioned by the hotel and any defect in any vehicle, or other form of conveyance, or by error or default of any company or person engaged in conveying clients, carrying out the arrangements of travel, or otherwise in connection therewith.

18. Airline responsibility

The airline concerned is not to be held responsible for any act, omission or event during the time the clients are not aboard its aircraft. The client ticket in use by the airline, when issued, shall constitute the sole contract between the airline and the client. E-tickets (electronic air tickets) do not carry the terms and conditions but should a client require these, the contracts may be found on the website of each airline.

19. Airline information: luggage/seating/special requests/sequence of air tickets

Please refer to the relevant airline for baggage allowance and restrictions. Clients are reminded that they are responsible for reconfirmation of flights more than 72 hours prior to departure and to ensure that the airline has had no schedule or time changes. Failure to do so may result in the cancellation of a flight reservation by the airline. Airlines will do all possible to satisfy seat requests. Seating is not guaranteed due to operational and safety requirements. A fee is charged for selected seats and booking classes. Clients must familiarise themselves with the airline terms and conditions on the airline website prior to the purchase of airline seats. Any medical and wheelchair requests must be confirmed by the airline prior to the airline ticket being issued. Air ticket itineraries consisting of more than one flight sector may not be used out of sequence (IE: a flight sector can't be skipped), as this will void the entire balance of the journey/itinerary.

20. Airline overbooking

The Company is not responsible for overbooking by airlines resulting in clients being denied boarding. It is the airline's responsibility to re-route clients on alternative routes at the airline's expense, provided clients check in on time.

21. Transportation by road

Clients need to advise the Company in writing should upgraded transfers be required due to additional baggage or sporting equipment being transported. Upgraded transfers will be at an additional cost to the client. Standard transfers cannot accommodate infant/baby or booster seats. If these seats are required, the request must be made in writing to the Company and private transfers will be booked at additional costs to the client. The Company must be advised if clients are arriving with car seats.

22. Luggage

Each provider permits different baggage and sporting allowances. It is the client's responsibility to ensure that their baggage and sporting allowance falls into the provider's acceptance policy. The Company will not be responsible for any additional costs incurred if these requirements are not met.

23. Car hire

If clients intend to drive a rental car, a valid South African driver's licence is accepted; alternatively, an international driver's licence is required. Drivers must be 21 years old in order to hire a car. The car hire terms and conditions shall constitute the sole contract between the car hire company and the client.

24. General information

The Company cannot be held responsible for any charges that appear on a client's credit card, nor accept responsibility for having any of these charges reversed or corrected upon the client's return to South Africa.

25. Provision of services/amenities and facilities

Owing to the occurrence of the Covid-19 pandemic, certain important travel information or government rulings may be introduced without prior warning which may limit or prevent certain services, amenities and/or facilities that are described in this brochure from being made available.

26. Confidentiality and Privacy, and Payment Card Industry Data-Security Standard

Subject to statutory constraints or compliance with an order of court - the Company undertakes to deal with all client information of a personal nature on a strictly confidential basis. Furthermore, as far as the client's personal information and special personal information is concerned, the Company will comply with all provisions of the applicable privacy legislation such as the Protection of Personal Information Act, Act 4 of 2013 ['POPIA'] as detailed in the Company's Privacy Policy CLICK HERE or see our website www.beachcomber.co.za for reference and which you are deemed to have read, understand and agree to be bound by. All payments will also be processed as required and in compliance with the PCI-DSS.

27. ASATA

28. Law of governance

These Terms and Conditions shall be governed by the laws and the jurisdiction of the courts of the Republic of South Africa.
