Beachcomber

The leading hotel brand in Mauritius

The Beachcomber journey begins the moment our guests choose their resort and lives on long after their stay, embedded in their hearts and memories for life.

Over 70 years ago, Beachcomber took the first steps as a pioneer of tourism and hospitality in Mauritius. We have since created eight spectacular holiday resorts on the island.

Our resorts are situated on the most beautiful beaches and each property is symbolic of the Mauritian way of life. Each resort boasts an exceptional natural setting and combines elegance and simplicity, tradition and innovation, space and privacy - each defines 'getaway' in its own unique way. Guests are transported into a carefree state of mind suspended in bliss, giving them time to reset and make lifelong memories.

Beachcomber's roots are deeply Mauritian. We are therefore devoted to preserving Mauritius's cultural and environmental riches to ensure they are available for future generations to enjoy and cherish.

The hallmark of Beachcomber Resorts & Hotels is hospitality that is personal and genuine. Guests are treated to the greatest comforts during their stay while being enveloped in care and kindness. They are made to feel at home by teams of skilled experts who are true artisans of their craft.

We firmly believe that the beauty of the place inspires the beauty of the heart. Our artisans create this atmosphere at our resorts, welcoming our guests and bringing Beachcomber's hospitality to life while forging special bonds with guests and partners that last a lifetime. Here, on our beloved island of Mauritius, Beachcomber's personality takes shape with benevolence, discretion, affection, and attention to detail. We inspire a yearning to return again and again.

The Art of Beautiful

We cultivate the art of beauty in all its dimensions

Taste the Art of Beautiful

Our cuisine is inspired by a blend of local influences and is elevated to new heights by a superb team of creative chefs. At mealtimes, the artistic presentation of each dish is complemented by the care and attention of our service artisans.

Be active in beautiful locations

Each resort boasts extensive sports facilities both on land and at sea that suit all ages and levels of fitness. The idyllic settings of our resorts along the shore of the sparkling Indian Ocean provide an irresistible invitation to enjoy these complimentary water sports. Our recreation centres are staffed by friendly and experienced artisans.

Discover the art of wellness and beauty

Our spa facilities have adopted a holistic approach to restoring the well-being of body and mind. They offer personalised treatment programmes that aim to achieve outer beauty and inner calm. We have perfected our own product range, B(e) Beautiful, which consists of only natural ingredients.

Experience the art of hospitality

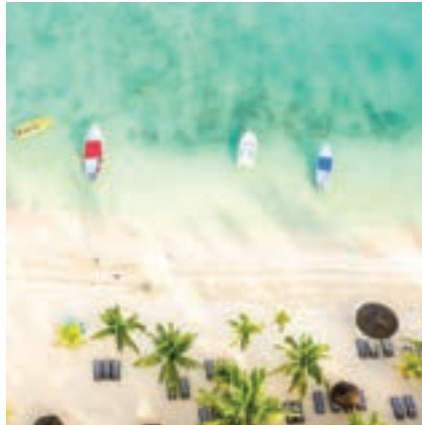

We create the perfect stay - a stay in which the idyllic surroundings are enhanced by the care and attention of our artisans. Our 4,000 employees demonstrate their passion for people daily. Many of them are second-generation staff members whose love of hospitality has been passed down from the previous generation.

Our responsibility for the gift that nature has given us involves protecting and nurturing this heritage for future generations. All eight resorts have achieved the prestigious EarthCheck gold status - leading the way in sustainable tourism practices in Mauritius.

Why Book Beachcomber

Perfecting Mauritian holidays for over 70 years

A name with a history

The first hotel within the portfolio of Beachcomber Resorts & Hotels was established in 1952 and in the late 1970s the Beachcomber brand was launched. Expertise comes with the experience and know-how that only a solid foundation can provide, and Beachcomber is proud to have it all.

The most spectacular sites

Founded by Mauritian families, the Beachcomber resorts occupy premium beachfront locations - mostly on the west coast - where the best weather and the most idyllic beaches can be found, along with stunning sunsets that end each perfect day.

A legacy of Mauritian lifestyle

The casual Indian Ocean Island lifestyle of outdoor living, beachside dining, and warm hospitality is the experience that awaits at all resorts.

More rooms mean more choice

Beachcomber Resorts & Hotels operates eight superior leisure resorts in Mauritius. With more than 2,000 rooms in the four- and five-star categories, there is a resort to suit every holiday and style preference.

Beachcomber cares

Beachcomber was one of the first hotel groups to commit to sustainable development in Mauritius. Additionally, all our properties carry EarthCheck certification, the global travel industry benchmark of environmental care. And these convictions are reaffirmed through a charter outlining the Group's 52 Commitments.

South Africans love Beachcomber

The brand is top-of-mind in this country, and the majority of tourists from South Africa staying in resort hotels in Mauritius are clients of Beachcomber Tours South Africa.

Buying power means strength

Beachcomber pre-purchases airline seats to Mauritius during peak periods to ensure hassle-free bookings, a choice of departure dates, and quick confirmation.

Opt for value

Our popular holiday packages include dining at a selection of restaurants, a comprehensive range of land and water sports, an amazing Kids Club at each resort, and a daily entertainment programme for everyone, irrespective of age. For your convenience, all accommodation offers individually controlled air conditioning, an electronic safe, telephone with international dialling, WiFi, TV with satellite channels, hairdryer, minibar, and complimentary tea and coffee making facilities. Flagship room categories at most resorts offer coffee machines and other added luxuries.

All-inclusive holidays

All Beachcomber resorts - with the exception of Royal Palm - offer an optional all-inclusive package that covers all meals and most drinks. For even more variety, Shandrani Beachcomber has two packages from which to choose.

Kids are king

Beachcomber family holidays are perfect in every respect, with a magical atmosphere created for children. A unique Kids Club awaits at each resort with a variety of games, playground equipment, and a daily schedule of entertainment that is run by childcare professionals. Resorts also offer family-oriented accommodation units and a variety of dining options with child-friendly menus in relaxed, welcoming environments.

SAFE PLACE peace of mind

The Beachcomber SAFE PLACE label is our guarantee that the Beachcomber group observes the strictest health, safety, and hygiene standards throughout all stages of the guest experience. Beachcomber's kitchens are run strictly according to the international Hazard Analysis and Critical Control Point food safety management system (HACCP). Additionally, legionella risk assessments are conducted annually, and water and air quality testing occur on a continuous basis.

Beautifully Responsible

Nature as our most vital asset

As a Mauritian company and a pioneer of the hospitality industry in Mauritius, we are aware of the gift - and the great responsibility - nature has given us: to live in, and protect, one of the most beautiful islands of the Indian Ocean.

It is our steadfast commitment to drive sustainable practices that protect the environment and support the communities in which our hotels operate. The measures we have put in place are all carefully designed to contribute to a cleaner, safer, and greener island, and planet.

We invite you to join us on this journey: Be beautifully responsible with Beachcomber.

See, feel, and live the Art of Beautiful with Beachcomber

For more than 70 years, Beachcomber has invested extensive resources into preserving and treasuring the history, culture, environment, and communities of our paradise island through various environmental and sustainability initiatives. Our mission is to 'cultivate the Art of Beauty in all its dimensions' and our Environmental Policy lays out the framework of how we achieve best sustainability practices in all areas of operations in our resorts.

As the pioneer of tourism in Mauritius and the largest Mauritian-owned hotel group, it is our responsibility to protect the environment and lead by example with respect to implementing greener and more sustainable operations. Driving this vital focus for Beachcomber is our Environmental and Social Charter which outlines the 52 Commitments our resorts have all undertaken to achieve our sustainability objectives, and measure progress.

Our 52 Commitments

Every day, in everything we do, we aim to live according to our 52 Commitments to our planet, our properties, and the wider Mauritius community. Some of these commitments include reducing food waste, providing bees with a safe habitat in our resorts' gardens, giving priority to locally grown fruit, replacing single-use plastic bottles with more environmentally sound alternatives, investing in desalination

plants in order to safeguard fresh water sources, the installation of solar energy, and irrigation of the resorts' gardens with desalinated sea water.

EarthCheck certification

Beachcomber as a group is deeply committed to reducing the impact our resorts' operations and guests have on the environment. There is certainly no better way to determine this impact than by measuring each resort's operations against the extensive criteria laid out by the globally recognised group, EarthCheck.

A testament to Beachcomber's deep commitment to sustainable development was the awarding of the EarthCheck Gold certification in 2023 to Paradis Beachcomber, Dinarobin Beachcomber, and Beachcomber House. In 2024 and 2025, Beachcomber proudly achieved EarthCheck Gold certification across all eight hotels, becoming the first hotel group in Mauritius to earn this prestigious status for every one of its properties.

'When a travel business displays an EarthCheck certification badge, you'll know they have been through a rigorous science-backed, people-focused sustainability certification process. It gives them the tools they need to measure their impact, and to make business decisions that save money, resources and the planet.'

Beautiful LocalHands

Launched in 2006, Beautiful LocalHands is a Beachcomber initiative that provides local craftspeople with the opportunity to develop their skills and sell their products to visiting tourists. Many of the artisans who partner with Beautiful LocalHands are vulnerable women who use this income to improve the quality of life of their families and provide their children with a better standard of education. Many of their products are available to purchase in each resort's Beachcomber Boutique.

Mauritius

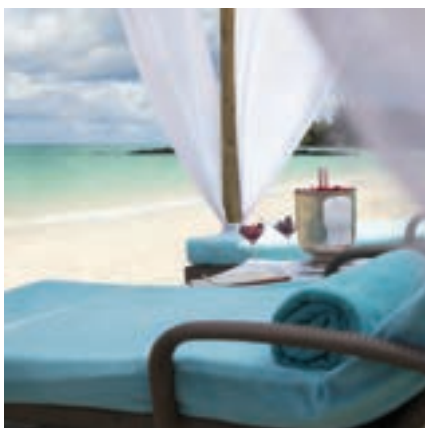

An unforgettable Beachcomber island escape

Mauritius resembles a rich, green emerald in the turquoise waters of the Indian Ocean. With regular flights from South Africa, this sophisticated island paradise has all the elements of the ultimate escape at an affordable price. Quality and high standards apply to every aspect of infrastructure and service - accommodation, food, sightseeing, transportation, and attractions. The local population is welcoming, warm, and friendly, and enjoys prosperity and a good standard of living. The island's greatest assets as a holiday destination are its natural beauty, lush tropical vegetation, sun-soaked beaches, and calm sea conditions due to the coral reef that encircles most of the island. The warm clear waters present ideal conditions for all types of water sports, including snorkelling, windsurfing, waterskiing, and sailing. Mauritius is a gem of a holiday choice - one to fall in love with again and again. It's little wonder that generations of South African families continue to choose Mauritius as their holiday paradise.

When to go

Mauritius is a year-round destination. Temperatures during the warm, dry months between May and October are normally in the mid-20s, rising to the upper 20s in the summer months between November and April. During the summer, tropical weather may cause storms and heavy rain, occasionally resulting in cyclones.

West is best

The most equable climate can be found on the west coast of Mauritius, which also has the finest and most protected beaches on the island. Beachcomber properties are the first choice for those seeking picture-perfect sunsets. Seven of Beachcomber's eight properties are located on the west coast, with the eighth resort occupying a prime peninsula location near the airport. Generally, the weather is warm and sunny, ensuring year-round holiday enjoyment.

Dress

The dress code is cool and casual. Most resorts require male guests aged 12 years and older to wear trousers in the evening, however, certain casual-chic eateries and four-star resorts allow men to wear tailored shorts to dinner. See the Hotel Fact Sheets for more information.

During the cooler months, jackets or light sweaters for evening wear are recommended.

Places to Visit

Must-see sights

Mauritius may be a small island, but it contains a wealth of contrasting scenery that ranges from the drier regions along the north-west coast, to the lush greenery of the southern and eastern coasts. There is much to see with something appealing to all interests. Consult the Mautourco tour desk or concierge at your resort for tour options, or to make a reservation.

L'Aventure du Sucre

The setting for this gem of a museum is an old sugar factory, evoking bygone days. It lies within the beautiful Beau Plan Sugar Estate that is located close to the famous Pamplemousses Botanical Garden. At this museum, visitors can learn about the deeply intertwined history of sugar and Mauritius, and how the cultivation of sugar cane led to the multicultural society Mauritius is today.

Leisurely sightseeing

The famous botanical garden at Pamplemousses is a leading Mauritian attraction where visitors can view the giant *Victoria regia* water lilies and the rare talipot palm. The sacred lake of Grand Bassin, a place of pilgrimage for Hindus, is another must see, as are the mighty cascades of the Black River Gorges. In Port Louis and Grand Bay, it's fun to wander among tiny shops and markets, chatting to locals who charm you with their warmth and friendliness.

Big game fishing

The marlin fishing season is at its best between November and April, but there is much to challenge the big game fisherman all year round.

Shopping excursions

Hire a car or hail a taxi and hit the shops! You can visit the Big Bazaar in the town of Quatre Bornes, the boutiques and the craft market at the Caudan Waterfront, or the historical Port Louis market where vendors have been trading for almost 200 years. In Grand Bay, visit the Grand Bay Bazaar for local crafts.

Catamaran cruises

Catamarans head north from Grand Bay to Îlot Gabriel, or from Pointe des Régates to Ile aux Cerfs, and south from Tamarin Bay towards Îlot Benitiers, a small island off the west coast of Mauritius. A new cruise option sees passengers board in the north and enjoy the beautiful scenery of the north-eastern lagoon. Avid snorkellers are advised to bring equipment along with them from home should they wish to explore the aquamarine depths. A delicious barbecue lunch is prepared by the crew.

Quad biking and zip lining

There are many quad bike adventures available in Mauritius that whizz visitors through forests, sugar cane fields, hunting grounds, rivers, and leisure parks. Ziplines thrill visitors with magnificent views over the treetops. These are ideal activities for the group incentive market.

Seven Coloured Earths of Chamarel

This attraction is the result of a volcanic phenomenon that resulted in seven colours of earth swirling together to create a beautiful feature. Chamarel is reached via a panoramic mountain pass that cuts through lush tropical forest. There are many viewpoints along the way. Also worth visiting in the area is the Church of Ste Anne that was built in 1876.

Rhumerie de Chamarel

This attraction is located 300 metres above sea level on the south-west coast of the island and features a rum distillery and an agricultural plantation on an eco-friendly estate. A guided tour of the distillery provides a detailed explanation of rum making and includes a tasting. The menu at the chic on-site restaurant, L'Alchimiste, features dishes made from local produce.

Top-Up with a Food & Beverage Package

The ultimate carefree holiday

Dining is an important part of your stay. With a great atmosphere and a variety of cuisines and tasty menus, mealtimes are a special occasion. Talented Beachcomber chefs combine their skills, flair, and the finest ingredients to create imaginative and tempting treats. Spectacular dining locations - whether on the beach, around the pool, or in a trendy restaurant environment - are a hallmark of Beachcomber resorts.

Half board

Breakfast and dinner are included daily with varied restaurant options available for dinner each evening. Enjoy sumptuous live cooking stations at the buffet restaurant, or delicious menus in the more intimate eateries.

All-inclusive packages

Guests at all Beachcomber resorts - bar Royal Palm Beachcomber Luxury - have the option of purchasing a food and beverage top-up package for the ultimate carefree holiday. There are daily flights, and a visa isn't required. The waters around the island are calm as they are protected by a barrier reef which makes swimming and practising a variety of free water sports safe, easy, and fun.

Our family offer is tailor-made and delivers the ultimate family break at the best possible price. The family units at all our resorts provide space and privacy, and are your perfect home-away-from-home. There is a wide choice of family suites, apartments, and villas, so take your pick.

Incredible value for under eighteens

Beachcomber's added value for teens and children is like no other: Special offers and perks apply to Beachcomber teens aged 12 - 17 years from May to September. Unlike many other resorts and destinations where discounts only apply to children under 12, in many scenarios Beachcomber accommodates teens for free during the mid-year period. Additionally, teens also enjoy complimentary all-inclusive between May and September when parents upgrade.

Beachcomber kids under 12 share and eat free year-round when their parents pay the family rate (Royal Palm excluded). Additionally, Beachcomber kids under 12 enjoy free all-inclusive year round. Kids Club membership is also included.

The choice is extensive since so much is included in your package and everything is on your doorstep. The value of a Beachcomber family holiday is truly unmatched in every respect.

Kids Club Beachcomber

Kids are king with Beachcomber. Each resort has a complimentary Kids Club that is open daily for children aged 3 - 11 years. Activities are tailored for two age groups: 3 - 6 and 7 - 11. Parents enjoy peace of mind knowing that the welcoming, professional, and caring Kids Club team members are experts in child care. Staff turn each day into an adventure with a fun-packed programme focused on creativity, play, and learning. Themes such as Be Creative, Be Together, Be Eco-Friendly, and Be Sporty give rise to an endless list of amazing activities including drawing, painting, and collage, and discovery workshops centring on nature, food, and culture.

Each Kids Club is unique in its design and atmosphere - a wonderland for Beachcomber's young VIPs. Royal Palm is a kingdom for children and the 'Ti Royal' Kids Club is their castle. The clubhouse is set in beautiful gardens and features a paddling pool and child-size loungers. At Dinarobin Beachcomber, the Kids Club is a traditional Mauritian cottage on the beachfront with a large wooden deck and double-storey Wendy house. At Paradis Beachcomber and Trou aux Biches Beachcomber the clubs each have their own restaurant and splash pool - magical settings with plenty of space for fun. Shandrani Beachcomber's Kids Club is housed in a Creole-style pavilion set in the heart of the resort's tropical gardens. Victoria Beachcomber's Kids Club is located on the beach under traditional thatch and features a colourful play area, toys, facilities, and an outdoor beach cinema. Mauricia Beachcomber boasts a trendy Kids Club with modern finishes. Canonnier Beachcomber's Kids Club is a safari-inspired tented camp with an endless choice of activities that includes an exciting playground.

The Kids Clubs are open daily from after breakfast until 21h00, or later, depending on the resort and the season. At dinnertime, the Kids Club artisans will accompany the children to one of the resort's restaurants where a selection of specially made dishes will be waiting for the resort's mini VIPs.

The Nautical Club artisans love taking the members of the Kids Clubs under their wing and introducing them to exciting new activities and experiences. Staff will patiently teach them to sail or windsurf. Waterskiing, tennis, and golf lessons may form part of the daily activities for older children.

A day at the Kids Club equals great fun - the goal is undoubtedly to have our Beachcomber Kids want to return day after day and make the fondest memories possible during their exciting overseas adventure.

Teens Club Beachcomber

All Beachcomber resorts provide a range of services, sports, and facilities for teens that are free of charge. Sporting activities include waterskiing, trips on the glass-bottom boat, pedalo boats, kayaking, snorkelling, football games, tennis, volleyball, and more. As is the case with their parents, teens are free to enjoy all that the resorts have to offer when it comes to sports and leisure.

At certain resorts a specific Teens Club programme operates during popular school holiday periods. Special activities and evening gatherings are planned. Excursions may also be offered outside the resort. It's the perfect opportunity for teens to socialise, make friends, and have fun.

Beachcomber baby and toddler care

Babysitting services are available at all Beachcomber resorts at the applicable rate. Experienced and caring babysitters who have been working with Beachcomber for years are contracted to each hotel and will look after your little ones for one evening, or more.

Mauricia Beachcomber, Canonnier Beachcomber, and Victoria Beachcomber each have a baby care room available that caters for parents with children under 2. A bottle warmer and steriliser, a nappy changing table, a kettle, a fridge that is stocked with complimentary yoghurt, fruit, and bottled water are all available to moms and dads free of charge. The baby care rooms are centrally located for maximum convenience. There is also a menu that provides a list of homemade puree options that parents can order for younger babies.

Spa Beachcomber

The art of being beautifully well

Beachcomber spas take a holistic approach to wellness. Each spa is positioned in a serene area of the respective resort - a location that guests can retreat to with the purpose of relaxing and rejuvenating. The beauty of our spa settings is perfectly complemented by the personalised treatments that are provided by our highly skilled artisans. Superb product ranges - including our own proudly Mauritian, 100% natural B(e) Beautiful collection - form part of the unique experience waiting for you at each of these special sanctuaries.

Beachcomber's 'Art of Wellness' offers a diverse tapestry of treatments that introduces you to the secrets of living well. Our art of living is mindful of our planet, and it embraces time-honoured traditions of natural healing. The Art of Holistic Touch, the Art of Discovery, the Affinity Arts, and the Art of Beauty are all types of treatment to aid the relationship between body and mind. These are available as five-, eight- and ten-day programmes with the end goal being relaxation, firming, and toning which is achieved under the guidance and care of Beachcomber's wellness professionals.

Our caring spa artisans will listen to your every need and make recommendations as to how you can achieve a prime state of health under their care. Our treatments combine the latest wellness intelligence with the power of natural island recipes, and the secrets of age-old techniques. The B(e) Beautiful product range was formulated for both face and body, and represents a radical break from mainstream cosmetics. The product line imparts natural nutrients to the body to repair and rebalance. Sugar cane, coconut, cinnamon, almonds, honey, and other tropical products, are combined with herbal oils, shea butter, and beeswax, and melded with exquisite scents of vanilla, caramel, or wild violet. The result is an exotic, sensory journey towards blissful well-being.

Expanding the world of wellness to children between the ages of 6 and 15 years, Beachcomber invites our younger guests to Ile aux Enfants - the Children's Sanctuary - which is available at all eight resorts. Kids experience a range of therapies that have specifically been developed for our young guests. All-natural products are used for the Ile aux Enfants treatments, and the children delight in the scents of chocolate, caramel, and candy.

Royal Palm Spa

Royal Palm's sophisticated spa is the epitome of tropical elegance and seamlessly blends the indoor with the outdoor spaces that centre on a series of cascading pools and a spacious sun deck. Combining comfort and ultra-personalised service, the spa provides guests with the feeling of total plenitude and inner peace. Each of the 12 treatment rooms has its own contemporary design touches, including an adjoining garden for light and fresh air. The treatment menu focuses on rejuvenation, enhanced wellness, and beauty. These goals are attained through the use of products and therapies made available by the privileged partnership Royal Palm enjoys with Swiss cellular cosmetic brand, Valmont. A hair salon, two beauty salons, a nail salon, and a trendy barber complete the spa's facilities.

Dinarobin Spa

Dinarobin's spa is ensconced in lush vegetation at the foot of Le Morne Mountain, a coveted location for this perfect healing sanctuary for the body and mind. Air-conditioned cabins for traditional treatments surround a large swimming pool that is heated seasonally. A separate area that is decorated in an oriental theme is dedicated to Ayurvedic treatments and yoga. A total of 12 massage rooms are on offer. There is also a hair and beauty salon.

Paradis Spa

Alongside a peaceful pool and under cool thatch is the simple yet elegant Paradis spa. A wooden walkway lined with pebbles winds between large rocks, coconut palms, and greenery to the entrance of this tranquil haven. Eight treatment cabins - each with an outside shower - are positioned around a garden where the smell of frangipani lingers in the air. Reflecting pools decorated with flowers and Buddhist statues recreate the serene ambiance of Asian spas. A hair and beauty salon are also available.

Trou aux Biches Spa

This spacious spa has 20 cabins set in a secluded location in lush gardens. Water features are a recurrent element, with a beautiful pool bordered by a wooden deck taking centre stage. From the airy reception, a pathway leads to four air-conditioned cabins and a water treatment cabin. On the opposite side of the pool, protected from view, is another wing of 13 treatment rooms. These are linked by pergola-shaded pathways and are the location for massages and a commune-with-nature experience. The spa also includes the services of a hair and beauty salon.

Shandrani Spa

A natural stone path lined with tropical vegetation leads guests to the entrance of this breathtaking spa. A century-old badamier tree hanging over a magnificent pool is the focus where thatched roofs built at tree level ensure 18 Robinson Crusoe-style massage cabins blend seamlessly into the surroundings. The inner garden is dense with palm, hibiscus, frangipani trees, and other exotic plants. A hair and beauty salon complete the facilities.

Victoria Spa

A large cascading pond filled with koi fish and water lilies, as well as scents of sweet almond, lavender, and orange, greet guests on their arrival at Victoria Beachcomber's spa. Blending harmoniously with the resort design, the spa is modern with sleek white furniture and colourful prints on whitewashed walls. It houses six treatment rooms each with its own look and atmosphere and includes one outdoor cabin, perched above the pond.

Canonnier Spa

Emulating a tree house village built amidst branches of a centuries-old banyan tree, this spa is truly unique in Mauritius. Guests walk up stone pathways swathed in vines to reach the six cabins located at different levels. The treatment rooms are constructed from timber, stone, and thatch, and blend effortlessly into the surroundings. All are equipped with outdoor showers, an additional treat for the senses. Views and multiple ponds provide a sense of serenity and mysticism.

Mauricia Spa

Drawing on Mediterranean influences and tucked away from the hotel's hub of activities, Mauricia Beachcomber's spa offers a tranquil, warm, and welcoming atmosphere. Resembling a Moroccan riad, the nine cabins are linked together by a series of arches. The cabins open onto a central courtyard with a reflecting pool that is framed by a wooden deck.

Golf Beachcomber

Your hole-in-one holiday

Mauritius is known as a premier golfing destination and rightly so since the climate makes the sport a year-round possibility. Beachcomber Resorts & Hotels is the proud owner of four resorts associated with superb courses and golfing facilities.

Paradis Beachcomber has an 18-hole par-72 championship golf course that is considered one of the island's best. Guests of next-door Dinarobin Beachcomber share the facilities. In the north is the island's 18-hole Mont Choisy Le Golf. This championship golf course is available to all Beachcomber guests at preferential rates, and scheduled transfers for guests staying at Canonnier Beachcomber and Trou aux Biches Beachcomber are included.

At Shandrani Beachcomber, there's a challenging 9-hole mashie course with a unique layout that promotes good practice for the improvement of golfers' short games.

Paradis Golf Club

Positioned between the impressive Le Morne Mountain and the crystal-clear waters of the Indian Ocean, the course at Paradis Beachcomber is a peerless combination of spectacular scenery and enjoyable play. It is the only golf course on the island that is situated within the premises of a resort. Shared by guests of Paradis Beachcomber and Dinarobin Beachcomber, it is a tropical links course, testing the champion and entertaining the novice. Immaculate greens and fairways run alongside the ocean, and swirling mountain winds make the front nine holes a challenge that requires precision. The Paradis Golf Academy offers an array of facilities comprising practice greens for short games and putting, in addition to specialised training. All skill levels are welcome at the training sessions, either solo or in pairs. The superior infrastructure of the property as a whole makes a golfing holiday at Paradis Beachcomber or Dinarobin Beachcomber extremely appealing, with most golfers returning year after year.

For your convenience

- A clubhouse and an elegant bar plus lockers
- Golf Academy swing analysis with full-time pros who attend to guests' needs and offer private lessons
- A pro shop with a range of international brands plus practice balls, clubs, and normal and electronic trolleys for hire
- Driving range with target greens - 12 stations
- Short game practice with chipping and putting greens
- Delivery of golf carts to suites at Dinarobin Beachcomber 30 minutes before tee-off time

Mont Choisy Le Golf

Guests staying at Beachcomber golf resorts enjoy privileged access to Mont Choisy Le Golf, the only 18-hole golf course in the north of Mauritius. It is located in a sprawling nature reserve within proximity to Canonnier Beachcomber and Trou aux Biches Beachcomber. The course was designed and developed by the renowned southern African golf architect, Peter Matkovich, and offers an expanded golf experience. However, the casual player will also enjoy this course as much as the serious golfer.

For your convenience

- State-of-the-art practice facilities including chipping and pitching areas, putting greens and a 300 metre double-ended driving range - 20 stations
- A pro shop with a range of international brands plus practice balls, clubs, and trolleys for hire
- Golf instructors and lessons available
- Teaching Academy
- Clubhouse with a restaurant, bar, and wine cellar

Shandrani Beachcomber pitch and putt

Parts of the 9-hole par-29 pitch and putt golf course at Shandrani Beachcomber run adjacent to the beach, affording breathtaking views of the ocean. The compact size of the course makes it the perfect option to polish a short game while challenging both beginners and seasoned golfers. Green fees for Shandrani Beachcomber guests are waived and golf clubs are available free of charge. Moreover, Shandrani Beachcomber has an arrangement with Avalon Golf Estate whereby guests play this 18-hole course at a reduced green fee.

Paradis Golf Challenge

Beachcomber Tours organises two annual Paradis Golf Challenge tournaments, uniquely marketed as family golfing holidays.

Our Paradis Golf Challenge is so popular that 50 percent of the participants are repeat guests, many of them women and juniors.

Make up a four-ball and one person will get their land arrangements free of charge for five nights. The winner of the tournament receives free land arrangements and an air ticket to defend the title the following year. The runner-up receives free accommodation for the following tournament. Golfers will be pleased to know that the clubhouse is situated only 100 metres from Paradis Beachcomber's reception area. Non-golfing partners will be equally thrilled to learn that the Paradis Golf Challenge is played in the mornings, leaving the afternoons open for leisure and family time.

Groups and Incentives with Beachcomber

Your investment in expert hands

The appeal of Mauritius as a MICE destination is unmatched due to it being a short-haul destination serviced by daily flights and it being visa-free for South Africans. But the superior infrastructure and excellent standards of the resorts are by far the main reasons why corporate groups keep returning to this tropical island paradise. Beachcomber Tours South Africa operates a department that is dedicated to group bookings. It is staffed by professional staff members who collectively boast over a century of experience in this field. They are equally comfortable arranging smaller destination weddings as they are corporate group bookings of several hundred delegates that require detailed arrangements spanning several days. Beachcomber's Mauritius is also a favoured destination for multigenerational family reunions as resorts offer quality and cater superbly to all ages and stages.

All arrangements are handled with the utmost care and attention to detail, guaranteeing the success of the investment. All-inclusive package options for groups at all resorts, except Royal Palm, are available throughout the year. Beachcomber is a forerunner in this highly competitive market due to the excellent standards we offer.

Be beautifully responsible with Beachcomber

For over 70 years Beachcomber has invested extensive resources into the unique Indian Ocean Island we call home. Driving this vital focus is the Group's Environmental and Social Charter which outlines the commitments our resorts have all undertaken to achieve our sustainability objectives. In 2024, after a rigorous five-year sustainability certification process, all eight resorts were awarded the coveted EarthCheck Gold certification – the globally recognised benchmark for sustainable tourism operations. In 2025, the Group proudly achieved EarthCheck Gold for the second consecutive year. Together we are shaping a more sustainable future.

Beachcomber's all-inclusive options

All-inclusive rates for groups have been widely endorsed by the South African market. While many hotels in Mauritius offer an optional food and beverage package add on, the inclusions of Beachcomber's various options are far more extensive than any other. The beverage selection includes a wide range of brands, while food choices are many and reflect quality.

No expense is spared in creating lavish settings for special functions in the expansive grounds of the chosen resort. We add sparkle to each event with magical themes, colourful décor, and menus to match.

Beachcomber offers the best

While each resort in the Beachcomber group has its own identity and appeal, the common thread of quality, high standards, and superb service is evident at all properties. Beachcomber Tours has been the leader in this niche market for decades, with Beachcomber resorts occupying prime locations and geared to provide tailored experiences that produce flawless and memorable events.

- Each resort has its own unique atmosphere. Some cater for the tastes of a lively and relaxed clientele, and others are suited to the more discerning and sophisticated.
- A trademark of all resorts is the warmth of an authentic Beachcomber welcome, coupled with exceptional service.
- Beachcomber tailors your group itinerary to meet the group's specific requirements and your expectations of quality.
- The budget, the size of the group, and its focus of interest will determine the style of resort that is recommended.
- Beachcomber Tours South Africa has in-depth knowledge regarding every aspect of the accommodation, conference facilities, dining options, and activities at the resort of your choice.
- All properties offer a wide range of sporting and entertainment facilities on site. These may be used as leisure activities or as part of a team-building programme supervised by our professional artisans.
- Each resort also has a choice of restaurants for varied dining experiences. Alternatively, theme evenings may be organised.
- Each Beachcomber resort, excluding Royal Palm, has a dedicated expert groups coordinator.
- All resorts, with the exception of Dinarobin Beachcomber and Royal Palm, have their own conference facilities with a range of modern conference equipment available. Dinarobin Beachcomber groups utilise the conference facilities at Paradis Beachcomber.

Among many travel industry awards, Beachcomber Tours South Africa is proud to have been named Air Mauritius's Top Groups Partner for eight consecutive years.

Sports Beachcomber

Sport for choice

Strike the perfect balance between keeping fit and kicking back during your stay in Mauritius. At Beachcomber, we believe that health and fitness is about having fun at your own pace - and being able to choose your favourite activity from a wide range of options is paramount.

With the multitude of complimentary land and water sports on offer at all resorts - including free waterskiing and wakeboarding - a holiday on the paradise island of Mauritius presents plenty of scope to challenge and entertain the physical body in spectacular surroundings.

Our settings are havens for body and mind, offering guests of all ages a thrilling experience every day of their stay. Enjoy complimentary sports such as bocce ball, tennis, football, beach volleyball, aqua gym, kayaking, stand-up padding, windsurfing, and more, for your daily dose of excitement and satisfaction.

Beachcomber lays claim to the Indian Ocean's largest sports academy in terms of space, training equipment, and staff.

Our Nautical Clubs - the place to be for any water sport activities - offer two signature Beachcomber trips: a glass-bottom boat tour, and a snorkelling trip. Our artisans are trained in the island's marine and coastal ecosystems by Reef Conservation Mauritius and will gladly share their knowledge of these ecosystems and the various species of plants and animals with curious guests. Two marine parks invite you to explore a multitude of protected marine species

and underwater treasures - the Blue Bay Marine Park at Shandrani Beachcomber, and the Balaclava Marine Park at Victoria Beachcomber.

Indoor sports enthusiasts will find plenty to keep them busy too. All eight hotels have a gym offering various fitness activities under the watchful eye of qualified coaches - weight training, cardio, and more.

Many of the activities on land and sea are free, however, some sports are at an additional cost. Guests can explore the depths of the magnificent Indian Ocean with PADI-affiliated Diving World dive centres. For those who prefer to be *on* the water, the Dinarobin Kitesurf and Windsurf School, run in association with ION CLUB, offers daily training and practice sessions at two of the best spots for wind-based sports on the island. There are also floodlit tennis courts at every resort with equipment provided by Beachcomber's official tennis partner, HEAD. Additional sporting facilities include two exclusive golf courses, guided bike trips, nature walks, and a special eco-tourism programme called Beachcomber Sports & Nature at Shandrani Beachcomber, all of which make the most of the beautiful natural surroundings of Mauritius. We also stage the biannual Paradis Golf Challenge. See page 35 for details.

Group and FIT (free independent traveller) inclusions differ. Package prices quoted do not include airport taxes and fuel surcharges and these costs are listed separately. Any additional surcharges levied by the airlines, costs of obtaining visas, re-entry permits, vaccinations, passports or any other travel related documentation, telephone calls, laundry, entertainment arrangements not shown in the brochure, meals, beverages and excursions (unless specified), or any other item of a personal nature, are not included in the package. Package inclusions are strictly as per the final confirmation and it is the clients' duty to familiarise themselves with such confirmation before departure.

5. Reservations

On confirmation of the booking, please complete the e-booking form which is the acceptance of the Company's terms and conditions and important travel information. A non-refundable deposit of between 20% and 40% of the total package price is payable within 72 hours of confirmation of the reservation. The purpose of the deposit, other than hotel charges, is disbursements incurred by the Company and travel agency and their service fees. In addition, the total cost of air tickets, airport taxes and fuel levies, must be paid by the due date stipulated by the airline. The balance owing on the invoice must be paid eight weeks prior to departure or, alternatively, as per the date stated on the confirmation. The Company reserves the right to cancel any reservation for which the total package price has not been paid by due date, in which event the deposit will be forfeited to the Company. The Company guarantees the price of land arrangements once full payment is received, except where subsequent increases are beyond the control of the Company. Airfares, airport taxes and fuel surcharges are subject to the prices, ticket time limits and conditions quoted by the airlines and cannot be guaranteed by the Company. The Company is an intermediary and acts on behalf of its principals and cannot be held liable for any increases, cancellations or changes effected by these principals. These principals have their own terms and conditions which will apply to the client and such conditions will prevail.

6. Method of payment

The Company will accept payment for all arrangements in cash, electronic funds transfer (EFT), credit card, Google Pay, Apple Pay, or cryptocurrency. For payment by credit card the Company offers an online credit card payment facility to Visa, MasterCard, American Express and Diners credit card holders via a 3D secured site. Certain international cards are not compatible with this site. Specific terms and conditions apply to cryptocurrency payments which are specified on the Company's online payment portal.

7. Cancellations and curtailment

Land arrangements

In the event of the client cancelling a reservation for any reason, such cancellation must be made in writing and in such instances cancellation charges (including VAT) will be levied on all land arrangements in accordance with the maximum charges that can be imposed. Cancellation fees are based on a nightly stay and not on the arrival date. From time of booking up to eight weeks prior to departure, the deposit is forfeited. Cancellation fees for Villa bookings and travel during peak periods, being Christmas, New Year and Easter but not limited to these periods only, will be more stringent. Cancellation fees are as per below and Villas will be strictly as per the confirmation:

- 8 weeks prior: 20% / prime season 40%
- 6 weeks prior: 40% / prime season 40%
- 4 weeks prior: 50% / prime season 100%
- 3 weeks prior: 80% / prime season 100%
- 2 weeks prior: 100% / prime season 100%

Air arrangements

Cancellation fees apply to air tickets and selected airport taxes and fuel surcharges once air tickets are issued. The cancellation fees vary from 25% to 100% dependent on the air ticket issued, plus 15% VAT. Many airline offers are accompanied by strict terms and conditions.

8. Amendment and administration fees

Amendments to confirmed land reservations will be processed at a fee of R300 (including VAT) per person for each alteration made to the booking after the initial reservation is made. If notice of amendments is received within eight weeks of departure, cancellation fees as per point 7 may be levied. Administration charges will be levied on all documentation/vouchers submitted for reissue or refund. Changes to air tickets, once they have been issued, constitute an amendment fee (if the airline permits such a condition) together with an administration fee. Guaranteed departures and unused discounted airfares may not be amended once payment is received.

9. Refunds and unused services

No refunds will be made for no-shows (clients who have booked and paid for services for a specific date and do not show or amend within 24 hours of departure date), or any unused services irrespective of whether they form part of the basic inclusive package price, or whether they are in respect of pre-booked optional arrangements.

10. Delays

The Company does not hold itself responsible for any delays prior to departure nor during travel to any hotel/resort mentioned in this brochure whether brought about by technical difficulties, airline schedule or re-scheduling changes, strikes, weather conditions, force majeure, political unrest, riots, terrorism, threat of war, war, or any other circumstances whatsoever, whether foreseen or unforeseen. The Company will, however, endeavour but will not be obliged to assist clients during these periods and it is understood that any expenses relating to these unscheduled extensions (e.g. hotels, meals, beverages, airfares, telephone calls, etc.) will be for the client's account.

11. Travel documents

Documentation is only prepared on receipt of a booking form and when full and final payment has been cleared through the Company's bank account. As per the IATA (International Air Transport Association) ruling, airlines require the name on an air ticket to be exactly as per the passport name. Travel documents will be issued as per the booking form's first name and surname. All clients will be personally and solely responsible for ensuring that they are in possession of the correct documentation prior to their departure.

12. Itinerary alterations

The Company reserves the right to cancel the client's travel arrangements prior to departure, in

which event the entire package price paid by the client will be refunded without prejudice and any further obligation on the part of the Company. While every effort is made to keep to all itineraries, the Company reserves the right to make any changes for the client's convenience. The duration of the travel package may have to be extended or curtailed owing to unforeseen changes in transport schedules. Any resultant expense will be borne by the client, and any saving refunded.

13. Special offers

Special offers booked by Beachcomber Tours South Africa are offered to the South African and African markets only and offers may not be combinable with any other markets.

14. Valid passports, visas, vaccinations, re-entry permits and unabridged birth certificates

The responsibility to obtain correct, current and valid passports and passport requirements, visas, vaccinations and re-entry permits where required, is that of the client alone. Clients travelling with children under 18 years old must be familiar with the SA Immigration Regulations that came into effect on 01 June 2015. The Company will not be held responsible or liable for any consequence of any nature arising from the client failing to ensure that he/she has complied with all such requirements.

15. Insurance

The Company is not an accredited financial advisor and is therefore not permitted to offer advice on travel insurance policies. Over time and due to world developments and more recently the Covid-19 pandemic, travel insurance has become an ESSENTIAL part of a travel package. Most travel insurance companies offer added benefits to selected policies if purchasing a policy within 24-48 hours after the first payment is made. We strongly advise clients to contact an insurance company of their choice to take out travel insurance.

16. Liabilities

The Company makes every effort to ensure that all arrangements and services connected with your travel arrangements will be carried out as specified in the most efficient and effective way possible. However, being intermediaries, we do not have direct control over the provision of services by suppliers and, whilst they are in all cases selected with the utmost care, we do not accept liability for errors and omissions of such suppliers. It is the client's responsibility to satisfy themselves with any local laws, terms and conditions and applicable insurance options, if any, for any facilities used or hired.

17. Responsibility

The Company acts as an agent only in producing and booking the various travel arrangements featured in this brochure, and on condition that it shall not be liable for any loss, damage, injury, accident, delay or any other irregularity that may be occasioned by the hotel and any defect in any vehicle, or other form of conveyance, or by error or default of any company or person engaged in conveying clients, carrying out the arrangements of travel, or otherwise in connection therewith.

18. Airline responsibility

The airline concerned is not to be held responsible for any act, omission or event during the time the clients are not aboard its aircraft. The client ticket in use by the airline, when issued, shall constitute the sole contract between the airline and the client. E-tickets (electronic air tickets) do not carry the terms and conditions but should a client require these, the contracts may be found on the website of each airline.

19. Airline information: luggage/seating/special requests/sequence of air tickets

Please refer to the relevant airline for baggage allowance and restrictions. Clients are reminded that they are responsible for reconfirmation of flights more than 72 hours prior to departure and to ensure that the airline has had no schedule or time changes. Failure to do so may result in the cancellation of a flight reservation by the airline. Airlines will do all possible to satisfy seat requests. Seating is not guaranteed due to operational and safety requirements. A fee is charged for selected seats and booking classes. Clients must familiarise themselves with the airline terms and conditions on the airline website prior to the purchase of airline seats. Any medical and wheelchair requests must be confirmed by the airline prior to the airline ticket being issued. Air ticket itineraries consisting of more than one flight sector may not be used out of sequence (IE: a flight sector can't be skipped), as this will void the entire balance of the journey/itinerary.

20. Airline overbooking

The Company is not responsible for overbooking by airlines resulting in clients being denied boarding. It is the airline's responsibility to re-route clients on alternative routes at the airline's expense, provided clients check in on time.

21. Transportation by road

Clients need to advise the Company in writing should upgraded transfers be required due to additional baggage or sporting equipment being transported. Upgraded transfers will be at an additional cost to the client. Standard transfers cannot accommodate infant/baby or booster seats. If these seats are required, the request must be made in writing to the Company and private transfers will be booked at additional costs to the client. The Company must be advised if clients are arriving with car seats.

22. Luggage

Each provider permits different baggage and sporting allowances. It is the client's responsibility to ensure that their baggage and sporting allowance falls into the provider's acceptance policy. The Company will not be responsible for any additional costs incurred if these requirements are not met.

23. Travel information

A brief containing frequently asked questions and answers is e-mailed to clients between 6 and 11 days before their departure to Mauritius. It is vital that clients familiarise themselves with all aspects of the document to ensure they enjoy a hassle-free journey.

24. General information

The Company cannot be held responsible for any charges that appear on a client's credit card, nor accept responsibility for having any of these charges reversed or corrected upon the client's return to South Africa.

25. Provision of services/amenities and facilities

Owing to the occurrence of the Covid-19 pandemic, certain important travel information or government rulings may be introduced without prior warning which may limit or prevent certain services, amenities and/or facilities that are described in this brochure from being made available.

26. Confidentiality and privacy, and payment card industry data-security standard

Subject to statutory constraints or compliance with an order of court - the Company undertakes to deal with all client information of a personal nature on a strictly confidential basis. Furthermore, as far as the client's personal information and special personal information is concerned, the Company will comply with all provisions of the applicable privacy legislation such as the Protection of Personal Information Act, Act 4 of 2013 ["POPIA"] as detailed in the Company's Privacy Policy [CLICK HERE](#) or see our website www.beachcomber.co.za for reference and which you are deemed to have read, understand and agree to be bound by.
